Practical1: Introduction and Contribution to Wikipedia

a) Description about Wikipedia and its features

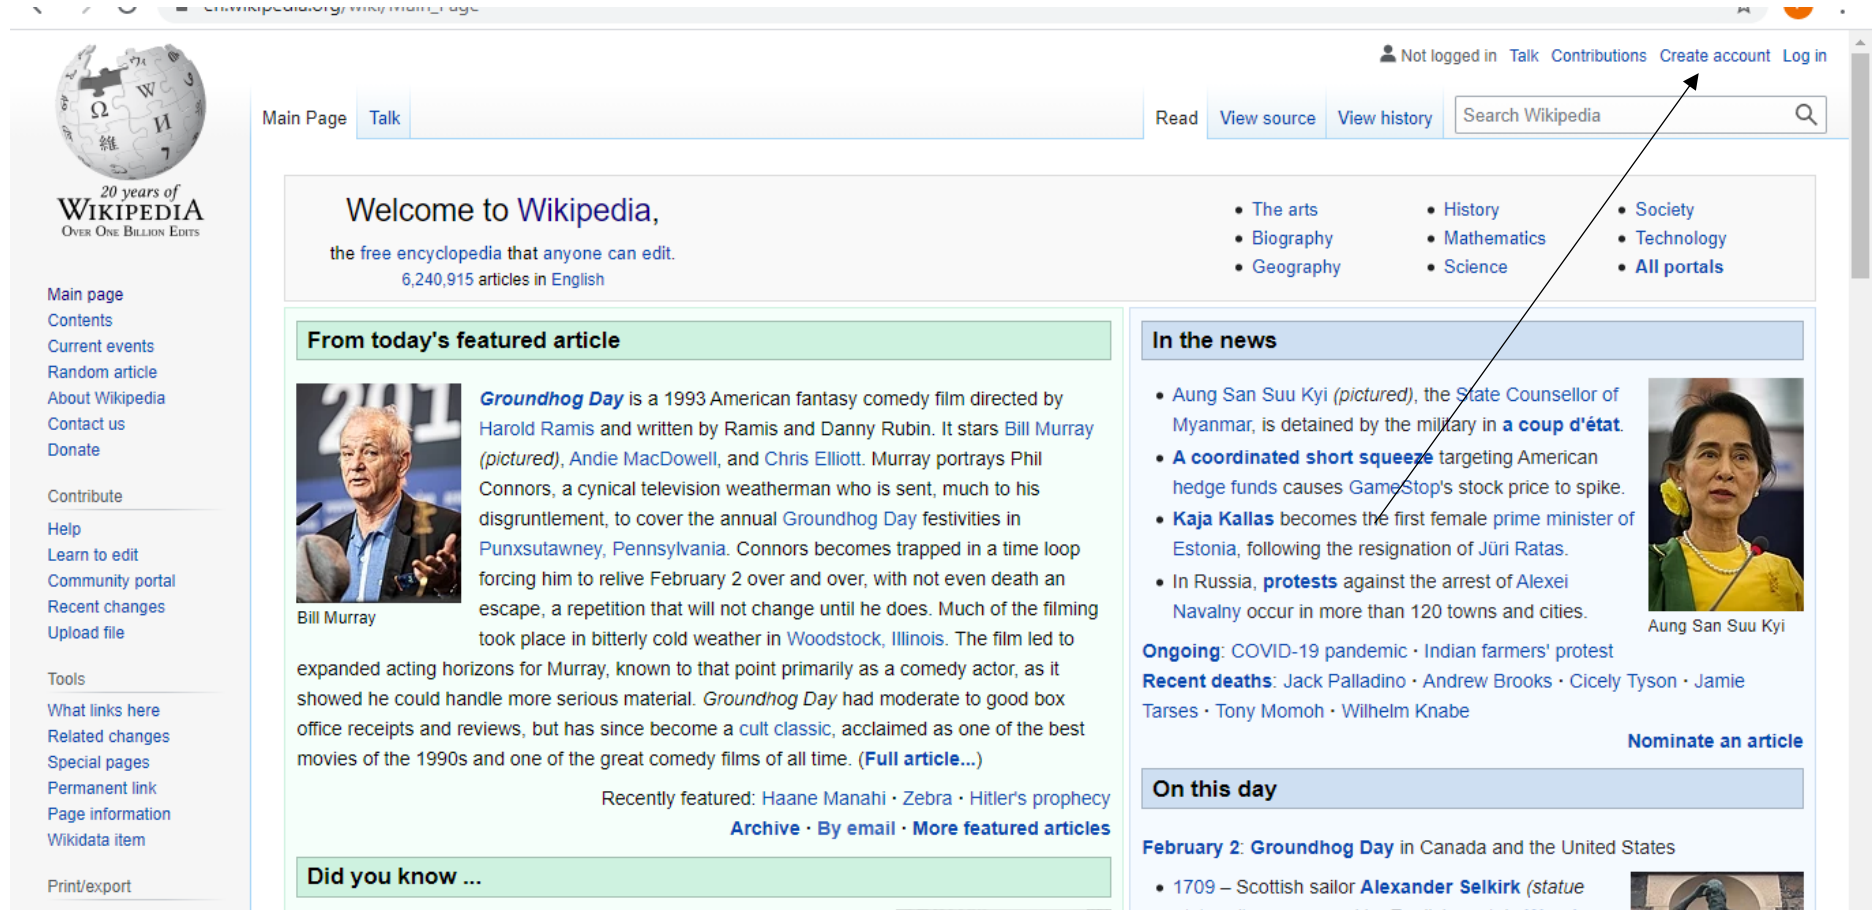

Wikipedia is a free, open content online encyclopedia created through the collaborative effort of a community of users known as Wikipedia's. Anyone registered on the site can create an article for publication; registration is not required to edit articles. Wikipedia was the only non-commercial site of the top ten.

Some of the basic features are:

- 1) Create a page
- 2) To edit a page
- 3) To link between pages
- 4) Hierarchical Page display
- 5) Can search with tags.

b) Creating Account on Wikipedia

Step 1:

The screenshot shows the Wikipedia homepage. At the top right, there is a navigation bar with links: "Not logged in", "Talk", "Contributions", "Create account", and "Log in". An arrow points from the "Create account" link to the search bar. Below the navigation bar, there is a search bar with the text "Search Wikipedia" and a magnifying glass icon. The main content area is divided into several sections. On the left, there is a sidebar with links: "Main page", "Contents", "Current events", "Random article", "About Wikipedia", "Contact us", "Donate", "Contribute", "Help", "Learn to edit", "Community portal", "Recent changes", "Upload file", "Tools", "What links here", "Related changes", "Special pages", "Permanent link", "Page information", "Wikidata item", and "Print/export". The main content area starts with a "Welcome to Wikipedia" message, followed by a "From today's featured article" section featuring a photo of Bill Murray and a description of the movie "Groundhog Day". To the right of the featured article, there is a "In the news" section with a list of recent news items, including "Aung San Suu Kyi (pictured), the State Counsellor of Myanmar, is detained by the military in a coup d'état." and "Kaja Kallas becomes the first female prime minister of Estonia, following the resignation of Jüri Ratas." Below the "In the news" section, there is a "On this day" section with a list of events, including "February 2: Groundhog Day in Canada and the United States" and "1709 – Scottish sailor Alexander Selkirk (statue)".

Groundhog Day is a 1993 American fantasy comedy film directed by Harold Ramis and written by Ramis and Danny Rubin. It stars **Bill Murray** (pictured), **Andie MacDowell**, and **Chris Elliott**. Murray portrays Phil Connors, a cynical television weatherman who is sent, much to his disgruntlement, to cover the annual **Groundhog Day** festivities in **Punxsutawney, Pennsylvania**. Connors becomes trapped in a time loop forcing him to relive February 2 over and over, with not even death an escape, a repetition that will not change until he does. Much of the filming took place in bitterly cold weather in **Woodstock, Illinois**. The film led to expanded acting horizons for Murray, known to that point primarily as a comedy actor, as it showed he could handle more serious material. *Groundhog Day* had moderate to good box office receipts and reviews, but has since become a **cult classic**, acclaimed as one of the best movies of the 1990s and one of the great comedy films of all time. **(Full article...)**

The Secret - Life Lessons

Recently, I finished reading a book called The Secret by *Rhonda Byrne* and would definitely like to share some key takeaways from it.

1) The first secret is the Law Of Attraction!!!

- Like attracts like --- 'If you can think about what you want in your mind, and make that your dominant thought, you will bring it in your life ' because 'Thoughts become things!!'

2) Attract the good instead of the bad.

- the words such as 'don't' , 'no' , 'not' etc. do not count. For instance, instead of saying, I don't want to get fail this time try saying I will get pass this time...

3) Ask, Believe, Receive.

4) Don't Stress about 'how'

5) One way to master your mind is to learn to quiet your mind.

6) Create your day in advance

7) Practice Gratitude

8) Treat yourself with love and respect

9) Think abundance, see abundance, feel abundance, believe abundance. Let no thought of limitation enter your mind.

10) What you resist, you attract!!

11) Let go of difficulties from your past.

12) Finally, Do what you love!!

So to conclude, in my opinion, I highly recommend you all viewers to read this book as this book might change your life and the way you think.
